DETAILED ACTION

Response to Arguments

1. Applicant's arguments see pages 10-13, filed 07/12/2006, with respect to claims 12-37 have been fully considered and are persuasive.

Allowable Subject Matter

2. Claims 12-37 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 12,21 and 29, prior art references fail to teach of an email, which includes identification information and status information of an image communication terminal and an e-mail address of a manger computer, is transmitted from the image communication terminal to a service center, a message is generated in a home page of the manager computer, based on the e-mail; utilizing the information from the e-mail from the image communication terminal and a second e-mail transmitted to the e-mail address of the manager computer, the second e-mail including a URL of the home page of the manager computer, allowing viewing of the message by utilizing the URL of the homepage included in the second e-mail.

3. It follows that dependent claims 13-20,22-28 and 30-37, are inherently allowable for depending on an allowable base claim.
